RE: Council Meeting of June 3, 2024

Dear Council Members:

At the outset of the meeting the Mayor will recognize Robby Crossland for becoming an Eagle Scout.

We are not aware of anyone wishing to address Council at the outset of the meeting.

There are no committee reports.

There will be a first reading on Resolution 2024-18, which authorizes the Mayor to enter into the Employer Sponsored Direct Primary Care Agreement with Nexus Growth Solutions, LLC dba Nexus Health Connect

There will also be a first reading on Resolution 2024-19, which authorizes the Mayor to enter into the Clinton Township -- City of Wauseon Annexation Agreement pertaining to the recent annexation of nine parcels consisting of 13.92 acres located near the Wauseon Union Cemetery

There will be a second reading on Ordinance 2024-2, which amends the Tree Code, Section 317 of the Codified Ordinances.

There is no legislation for third reading.

These are the only issues I am aware of to come before Council. Should any member of Council have any questions or comments, you are strongly encouraged to contact the appropriate Department Head prior to the meeting.

Respectfully submitted,

A handwritten signature in black ink, consisting of several overlapping loops and a long horizontal stroke extending to the left.

- 159.09 Trees in New Subdivisions.**
- 159.10 Appeals.**
- 159.11 Conflicting Ordinances.**
- 159.12 Severability.**
- 159.99 Violations; Penalties.**

159.01 PURPOSE.

The purpose of the Tree Code is to enhance the quality of life and the present and future health, safety, and welfare of all residents, to enhance property values, to ensure proper planting, maintenance, and removal of trees on public property, to provide a sustainable urban forest, and to make provision for the emergency removal of trees on private property.

159.02 DEFINITIONS.

As used in this Chapter, the following definitions shall apply:

- (a) "Damage" means any injury to or destruction of a tree, including but not limited to uprooting; severance of all or part of the root system or main trunk; storage of material on or compaction of surrounding soil; a substantial change in the natural grade above a root system or around a trunk; surrounding the tree with impervious paving materials or any trauma caused by accident or collision.
- (b) "Boulevard" means the area along a public street between the curb and the sidewalk; or if there is no curb or sidewalk, the unpaved portion of the area between the street right-of-way line and the paved portion of the street or alley.
- (c) "Public nuisance" means any tree on private property, or limb thereof, that has an infectious disease or insect; or threatens public health, safety, and welfare.

(d) "Park tree" means all trees, shrubs, bushes, and all other woody vegetation in public parks within the City having individual names or to which the public has free access as a park.

(e) "Public property" means all grounds owned and maintained by the City and all public rights of way.

(f) "Public trees" means all trees, shrubs, bushes, and all other woody vegetation located on public property, including, but not limited to park trees and street trees.

(g) "Street trees" means all trees, shrubs, bushes, and all other woody vegetation on land lying between property lines on either sides of all streets, avenues, or ways within the City.

(h) To "top" a tree or "topping" means an inappropriate technique to reduce tree size that cuts through a stem more than two years old at an indiscriminate location, such as between branches leaving a stub.

(i) Tree heights (at maturity) shall mean as follows: (1) "small trees" means trees 15-20 feet tall; (2) "medium trees" means trees between 21-40 feet tall; and (3) "large trees" means trees greater than 40 feet tall.

159.03 ADMINISTRATION AND ENFORCEMENT.

(a) The duty of administering and enforcing the provisions of this Tree Code is conferred upon the Public Service Director ("Director") or his designee.

(b) Subject to the provisions of this Tree Code, the Director shall have full authority and responsibility to plant, prune, maintain, and remove trees and woody plants growing in or upon public property in accordance with this Tree Code.

(c) The Director shall have the authority to promulgate and enforce such rules and regulations as he may determine to be necessary to supplement the Tree Code.

(d) It shall be the duty of all officers and employees of the City, and all departments, commissions and boards, to coordinate as may be necessary with the Director and provide services as required to ensure compliance with this Tree Code.

(e) No person shall hinder, prevent, delay, or interfere with the Director or his agents while engaged in the administration and enforcement of this Tree Code.

159.04 TREE COMMISSION.

There is hereby created and established a Tree Commission for the City, which shall act in an advisory capacity to the Director and the City.

- (a) The Commission shall consist of seven members, all of whom shall be appointed at large by the Mayor with the approval of Council.
- (b) Tree Commission members shall be appointed for three-year staggered terms. In the event that a vacancy shall occur during the term of any member, the Mayor shall appoint a successor with the approval of Council for the unexpired portion of the term.
- (c) Tree Commission members shall serve without compensation.
- (d) The Tree Commission shall annually select one of the members to serve as chair, may appoint a second member to serve as vice-chair, and may appoint a third person to serve as secretary.
- (e) The Tree Commission shall meet a minimum of four times each year. All meetings shall be open to the public. The Tree Commission chair may schedule additional meetings as needed.
- (f) The Tree Commission shall choose its own officers, make its own rules and regulations, and keep minutes of its proceedings. A majority of the Tree Commission's members shall be a quorum for the transaction of its business.
- (g) The responsibilities and duties of the Tree Commission shall be as follows:
 - (1) Coordinate and promote Arbor Day activities.
 - (2) Create, review and update a five-year recommended plan to plant, care for, preserve, prune, replant, remove, and maintain trees on public property for the Director.
 - (3) Support public awareness and education programs relating to trees.
 - (4) Review City department concerns relating to tree care.
 - (5) Submit an annual report of its activities to the Director and City Council.
 - (6) Assist with the annual application to renew the Tree City USA designation.
 - (7) Recommend tree species for planting and tree species to be prohibited on public property.
 - (8) Review and decide requests by the Director or his designee for the removal of public trees.
 - (9) Other duties that may be assigned by the Director and/or the Mayor.

159.05 TREE PLANTING AND CARE STANDARDS.

- (a) All planting and maintenance of public trees shall conform to the American National Standards Institute (ANSI) A-300 "Standards for Tree Care Operations" and shall follow all tree care Best Management Practices (BMPs) published by the International Society of Arboriculture.
- (b) It shall be unlawful as a normal practice for any person, firm, or city department to top any street tree, park tree, or other public trees.

(c) The Director shall provide sufficient tree planting to keep pace with urban growth and offset tree removal.

(d) The Director shall increase species and age diversity to provide long-term stability; increase the proportion of large-statured trees for greater canopy effects; ensure proper compatibility between trees and planting sites to reduce sidewalk damage and conflicts with overhead utilities that lead to premature tree removal, disease and pest problems, or hazardous trees.

(e) No trees may be planted closer together than the following, except in special plantings designed or approved by a landscape architect: small trees, thirty feet; medium trees, forty feet; and large trees, fifty feet. No tree may be planted within the visibility triangle of a street intersection or within ten feet of a fire hydrant.

(f) No trees shall be planted over any underground water line, sewer line, transmission line, or other utility. No street trees other than those species listed as small trees may be planted under any overhead utility wire.

(g) The maintenance of public trees for utility clearance shall conform to all applicable utility industry standards.

(h) The Director shall have the authority to remove public trees that may threaten electrical, telephone, gas, or any municipal water or sewer line, or any public tree that is affected by fungus, insect, or other pest disease, or may pose a threat or risk of physical or economic harm to persons or to public or private property. Except in exigent circumstances, the Director shall first receive the approval of the Tree Commission before removing a public tree.

(1) No later than thirty days prior to the removal of a street tree, the Director shall send notice of the intent to remove the street tree to the owner of the property immediately adjacent to the street tree by regular U.S. mail to the last known address of the owner. Such notice shall state the reason for the removal of the tree, provide sufficient documentation establishing the need to remove the tree, and provide the name and telephone number of a representative from the City who the owner may call regarding the notice.

(2) No later than thirty days prior to the removal of a street tree, the Director shall cause a notice of the intent to remove the tree to be placed on a conspicuous place on the City's web page. Such Notice shall provide the telephone number of a representative from the City who the owner may call regarding the notice.

(3) Except in exigent circumstances, the Tree Commission shall not authorize the removal of more than one mature street tree on a City block in any one calendar year.

(i) The Director is authorized to trim or remove any tree or limb thereof on private property that poses an immediate threat to public health, safety, and welfare of persons or property on public property.

159.06 PRUNING; CLEARANCE

Every owner of any tree on private property overhanging any street, sidewalk, or right-of-way within the City shall prune the branches so that such branches shall not obstruct the light from any street lamp, obstruct the view of any street intersection, or interfere with visibility of any traffic control device or sign, and so that there shall be a clear space of at least eight feet above the surface

of the street or sidewalk. Such owners shall remove any dead, diseased or dangerous tree, or broken or decayed limbs which constitute a menace to the safety of the public. The City shall have the right to prune and/or trim any tree not in compliance with this section.

159.07 PROHIBITION AGAINST HARMING PUBLIC TREES.

(a) No private person, firm, or corporation, without prior permission from the Director or his agents, shall trim, cut down, destroy, girdle or otherwise injure a vine, bush, shrub, sapling, tree or crop standing or growing on public property.

(b) It shall be unlawful for any person, firm, or corporation to attach any cable, wire, sign, or any other object to any street, park, or public tree.

(c) Any person, firm, corporation, or city department performing construction near any public tree(s) shall consult with the Director and shall employ appropriate measures to protect the tree(s), according to procedures contained in the Best Management Practices (BMPs) for “Managing Trees During Construction” published by the International Society of Arboriculture.

(d) No private person, firm or corporation may plant trees in the boulevard or on any public property.

159.08 CERTAIN TREES ON PRIVATE PROPERTY DECLARED A NUISANCE.

(a) The Director is authorized to declare any tree, or limb thereof, on private property determined by the Director to have contracted a lethal, communicable disease or insect; or that threatens public health, safety, and welfare, a public nuisance.

(b) Whenever the Director declares any tree, or limb thereof, on private property, a public nuisance, the Director shall determine the owner(s) of the property upon which the tree or limb is located pursuant to the records in the Office of the County Auditor of Fulton County, Ohio. Upon determination of the ownership, the Director shall cause a notice to be served upon such Owner(s) either personally or by certified mail at the usual place of residence, business or employment of such owner(s).

(c) The notice as set forth in subsection (b) hereof to the owner(s) of the property shall contain the following information:

(1) The findings with respect to the public nuisance.

(2) Steps necessary to abate the public nuisance.

(3) That unless the owner shall cause the abatement of the public nuisance within thirty calendar days after service of the notice, the City may take appropriate action to abate the nuisance at the expense of the owner.

(4) That the expense incurred may be certified to the tax duplicate of the individual property owners and addressed by the County Auditor and collected by the County Treasurer to satisfy the expense of abatement.

(5) That the owner(s) have a right to appeal the finding of a public nuisance to City Council pursuant to section 159.10 of this Chapter.

(d) Should any public nuisance not be abated at the expiration of the time stated in the notice or within such additional time as may be granted by the Director, the Director shall take such steps as are necessary to abate the public nuisance.

(e) In the event that the Director takes such steps as are necessary to abate the public nuisance, any expense, including cost of labor, incurred may be certified to the tax duplicate of the individual property owners and addressed by the County Auditor and collected by the County Treasurer to satisfy the expense of abatement. Nothing contained in this section, however, shall be construed to limit the City from pursuing any other method of collection or other remedy available to the City in law or in equity to recoup the expenses, including cost of labor, incurred in abatement.

159.09 TREES IN NEW SUBDIVISIONS

Subdivision regulations regarding tree planting in new subdivisions are set forth in Title One of Part Eleven—Planning and Zoning Code. Any deviation from these regulations shall be a violation of this Chapter.

159.10 APPEAL.

Any person may appeal any ruling or determination by the Director to City Council. Such appeal shall be taken by filing with the Clerk of Council, within seven calendar days after notice of the ruling or determination has been delivered to the Owner(s) as set forth in Section 159.08(b), a written statement setting forth fully the grounds for the appeal. Council shall set a time for a hearing on such appeal, which shall not be later than fourteen days after the Clerk of Council's receipt of the notice of appeal. Council shall issue a written ruling on the appeal within seven days following the hearing. Council's decision shall be final and binding on all parties.

159.11 CONFLICTING ORDINANCES.

All ordinances or parts of ordinances in conflict with this Chapter are repealed to the extent of such conflict.

159.12 SEVERABILITY.

If for any reason any one or more sections, sentences, clauses or parts of this Chapter shall be held to be invalid, such judgment shall not affect, impair or invalidate the remaining provisions of this Chapter which shall remain in full force and effect as if the offending provision did not exist.

159.99 VIOLATIONS; PENALITIES.

(a) Any person, firm or corporation violating any provision of this Ordinance shall be deemed guilty of a misdemeanor and shall be subject to a fine not to exceed five hundred dollars (\$500.00) for each offense.

(b) Each day during which any violation of the provisions of this ordinance shall occur or continue shall be a separate offence.

(c) In addition to any fine that may imposed under this section, if any person or entity, as a result of the violation of any section of this ordinance, causes the injury, mutilation, or death of any tree, shrub, or other plant located on city owned property, said person or entity shall bear the cost of repair or replacement, or the appraised value of said tree, shrub, or other plant. The value of trees

and shrubs shall be determined in accordance with the latest revision of *A Guide to the Professional Evaluation of Landscape Trees, Specimen Shrubs and Evergreens*, as published by the International Society of Arboriculture.
