RE: Council Meeting of June 15, 2026

Dear Council Members:

We are not aware of anyone wishing to address Council at the beginning of the meeting.

The Tree Commission will present a report. The Personnel Committee will present a report and recommend: (1) that the Local Government Manual be amended to add Policy 211 (News Media), Policy 307 (Facility Security), and Policy 644 (Educational Assistance); and (2) that the revisions to the job description of the Code Administrator be approved.

There will be a first reading on Ordinance 2026-7 (emergency), which amends Section 721 of the Codified Ordinances pertaining to Mobile Food Vehicles. There will also be a first reading on Resolution 2026-17 (emergency) which authorizes the Mayor to enter into a Clinical/Practicum Experience Affiliation Agreement with Mercy College of Ohio which will allow an employee in the Fire Department to do her clinical work through the Fire Department.

There will be a second reading on Resolution 2026-16 (emergency), which authorizes the Mayor or her designee to enter into an agreement with SpyGlass Group, LLC to review the City's technology for possible cost savings.

There will be a third reading on Ordinance 2026-6, which requests that the Ohio Department of Transportation change the speed limit on S. Shoop Avenue between Leggett and Orth Road to 45 m.p.h. on both sides of the road. There will also be a third reading on Resolution 2026-13, which authorizes the Mayor or her designee to execute an agreement for client billing services for the Fire Department.

These are the only issues I am aware of to come before Council. Should any member of

Council have any questions or comments, you are strongly encouraged to contact the appropriate Department Head prior to the meeting.

Respectfully submitted,
